

Mohamed Ali Mhadhbi

Nationality: Tunisian **Date of birth:** 16/11/2001 **Phone:** (+39) 3511587478 (Mobile) **Email address:** dali1.mhedhbi@gmail.com **LinkedIn:** https://www.linkedin.com/in/dalimh/ **Portafoglio:** https://dalisprojects.github.io/portfolio/ **Address:** Viale Unita d'italia, 70125, Bari, Italy (Home)

ABOUT ME

Software Developer experienced in building web applications using Angular, Node.js, REST APIs, and database management. Strong foundation in business informatics and scalable solution design.

WORK EXPERIENCE

Talentia Software - Italy, Bari

HCM Junior Technical Consultant

[28/09/2026 - Current]

- Configure and implement Talentia HCM modules for client environments
- Analyze client HR processes and translate business requirements into system configurations
- Provide technical support and troubleshooting for HCM platform issues
- Conduct user training sessions and produce functional documentation
- Collaborate with project managers and developers during implementation phases
- Manage client onboarding and go-live support activities
- Monitor system performance and escalate critical issues to development teams
- Participate in product demos and pre-sales technical activities

Orion School Molfetta - Italy, Bari

English Teacher – PNRR FUTURA

[31/10/2024 - 30/06/2025]

Delivered English lessons (A2–B2, Starters and Movers) to students and teachers following the Cambridge curriculum. Applied interactive and immersive teaching methods to improve communication skills and adapt lessons to different age groups.

AXA NEGOCE - Tunisia, Tunis

Full Stack Developer

[31/12/2023 - 31/05/2024]

Developed a booking and user management platform (Angular, Node.js, MySQL) including authentication, admin dashboard, and responsive UI. Optimized the database and reduced loading times by 30%.

- Frontend Demo: https://dalisprojects.github.io/Senior-Stay-Reservations-System/reservation
- GitHub Code: https://github.com/DalisProjects/Senior-Stay-Reservations-System/

Les Andalous Ceniat - Tunisia, Ariana

Web developer

[31/10/2022 - 31/05/2023]

Built a functional and responsive website using HTML, CSS, and JavaScript to support online booking

management for a guesthouse.
